MAKE YOUR PAYMENTS AUTOMATICALLY!

Automatic Payment makes your payments, without writing a check, automatically on the 20th of the month. Your payment will be deducted from your checking/savings account. Your monthly bank statement shows you proof of your payment. You will continue to receive your monthly telephone, cable TV or internet bill and yet have the peace of mind knowing your payment will be made on time. If the 20th falls on a holiday or weekend, it would then be deducted on the next business day. There is no charge for you to be on this plan.

To sign up, complete this form and return it along with a voided check.
