

III. DOMESTIC RATES

Rates for services described herein may incorporate by reference RTA applicable Minnesota State Documents as noted. Rates contained herein do not include applicable taxes or additional surcharges required pursuant to state Documents.

1. Basic Rate Plan (1+)

Basic Rate Plan is service option available to residential and business subscribers for which customers of the plan pay the same rate for services indicated regardless of the volume of calls or time of day. Service is not available on an intraLATA only basis.

Calls are billed as a 30 second minimum followed by 6 second increment billing at the per minute rate listed below.

Usage charges	Per Minute
Per Minute	\$0.14

2. Calling Cards

The initial period for the billing of calls is sixty (60) seconds. Additional billing periods are billed in sixty (60) second increments. Usage, per call and service surcharges are provided below. There is no monthly fee for the Service.

Usage charges	Per Minute
InterLATA	
- Initial	\$0.30
- Additional	\$0.30
IntraLATA	
- Initial	\$0.30
- Additional	\$0.30
Per call Charge	Per Call
- Calls originated from a payphone	\$0.30
- Operator assisted call completion	\$0.70

3. Miscellaneous Fees

1. Directory Assistance Service will be provided at the charges contained herein.

Directory Assistance: \$1.00 per call

2. Universal Service Fee

A universal service fee applies to all interstate and international services. The fee is applied to all traffic including per call surcharges as well as to the interstate / international portion of any monthly recurring installation fee for services purchased.

This fee does not apply in the Lowry Telephone Company serving areas.

USF fee: The rate varies based on the statutory rate the FCC approves quarterly per their web site at www.FCC.gov
